

# Woods Junior Indoor Club Championships

## Monday February 24 – Saturday March 1

The Woods Junior Indoor Club Championships is open to all junior players who have participated in Woods group or private lessons in the past year.

For Yellow, Challenger and Tournament Classes, the tournament is separated by age group, not class level. Please enter “yellow” and select the age group from there.

**This tournament is normally held in a dead week of lessons. There may be late changes to the schedule if any tournament days are needed as snow day make ups from the session.**

Woods will also be hosting a 10 and Under USTA tournament on Sunday, Feb 23.
